Capítulo 1

It's been more than two weeks since Father's Day

And I'm sorry I didn't even say hello

And I know I should've said I love you

And I should've said you're the best

But I just didn't feel it, I just didn't care.

It's been a week since she died

And I wanted to be sad for you

And I wanted to support you

But it's hard to cry when you don't feel it

It's hard to care when you never have.

It's been two complete days since we spoke to each other

And I'm sorry I don't talk to you

And I'm sorry you don't talk to me

Because we live so close together

And we're still in a house of strangers.

But what I regret the most is that

I see you sitting over there

And I'm watching you from over here

But it's been more than twenty years now

And I've never learned to speak.
