## **Back at the same: Part II**

After all this sudden words,  
that came through your mouth,  
my heart stopped.

The time stood by  
and it to me back,  
to the days were you were mine.

When we both loved  
as hard as we could,  
and we both thought  
that this was what we wanted to do  
who we wanted to be with.

Maybe our story didn't end  
maybe it just needed  
to be written again.  
but haven't we tried enough?

Isn't it true that is always gets  
so messed up

and so hard to let go  
that it always ends  
breaking us both?

We kind of are addicted  
our love is the drug  
that we can't have  
that we can't get  
even if we try.

We were just so toxic,  
so harmful,  
for ourselves  
and for our minds.

And all the things that you said  
transported me back  
to those times.

I can't lie,  
I am sure it felt great  
I felt safe,  
I felt loved  
and missed.

Which is what I think  
every girl,  
and the end of the day,  
wants to feel.
